**PETITION FOR EXTENSION OF TIME UNDER 37 CFR 1.136(a), OR, IN THE  
ALTERNATIVE, A PETITION UNDER 37 CFR 1.137(b) FOR REVIVAL OF AN  
APPLICATION FOR PATENT ABANDONED UNINTENTIONALLY**

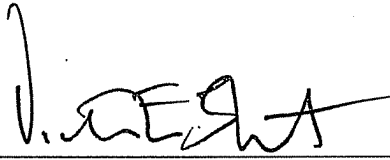

Dear Sir:

A review of our file today revealed that a petition to extend the response date in the above-captioned parent case was inadvertently omitted in connection with filing continuation application Serial No. 11/555,990 on November 2, 2006. The omission was unintentional and it was always Applicants' intention to maintain this parent application in force until a filing date was awarded to continuation application Serial No. 11/555,990. This petition is being submitted immediately upon discovery of the inadvertent omission. (The three-month extended period would have extended the time for response to November 4, 2006. The continuation case was filed on November 2, 2006.)

Please accept this submission as a petition *nunc pro tunc* to extend the time for response in the above-captioned parent case. In the alternative, please accept this as a petition to revive the above-captioned parent case for a period necessary to maintain the parent case as co-pending with continuation application Serial No. 11/555,990.

Any necessary fees to accept this petition or, in the alternative, to treat this as a petition to revive, may be charged to Deposit Account 06-1130 of Cantor Colburn LLP.

Respectfully submitted,

By:
